# Monmouth Park Association Will Protect the Bookies.

# FAVORITES KNOCKED

# M. F. Dwyer's Losings-The Pepper's Good Work.

In anticipation of the threatened raids of the Law and Order League on Monmouth Park, Mr. Lucius Appleby yesterday person-ally visited every bookmaker and assured him that no matter what happened he would pledge his word of honor that the ciation would protect him and see him through all trouble. Whether this means that the bookies will be provided nice comfortable cots in the Monmouth County Jail with necessary comforts, was there will be racing in spite of the threatened out the meeting. It is to be hoped that the interference, if any, will not be serious enough to parm the meeting. The new Association will endeavor to furnish as fair racing as possible, and to this end patrol judges will be posted at various points on the great stretches. The meeting may go through smoothly, or it may be attended by the most exciting incidents. Race-goers are rooting hard for the former possibility.

Yesterday was the most extraordinary day in the history of the present meeting of the Coney Island Jockey Club. Favorite after at the close of the day a giance at the record showed the slaughter to be complete. Not a favorite had won. The first went to Count, who was variously event went to Count, who was variously quoted at from 20 to 1 to 40 to 1. The second saw Regionid, a 15 to 1 chance, the winner, and in the third Leonaweli, at 40 to 1, upset the sure thing, Reckon. Theo Alcalde in ded the fourth at odds of 8 to 1, and Extra, an airtight in the lifth, was beaten by the Bliss colt, who, for the first time in his career, ran over hair a mile at decent speed. In the last race Livonia opened a 3 to 5 invorte, but the talent was too ing to get even and they played larchmont and Airshait to get square. Requesort, the extreme outsider, won and completed a most remarkable day's racing. The like has seldom been seen. Young Jimmy Lambley rode four wincers, Cox one and Joha Lambley one. The Baly-iwyer-Jones combination swept the line so far as purses were concerned.

Mr. Dwyer must be a heavy loser at this meeting. When he fails to make money then it is certain that the racing is extremely "rocky," to use a slame but expressive word, Yesterday the Brooklyn plungers went down on Fairy, Reckon, Extra and Airsnait, the could not have lost less than \$15,000. His losings on other days have

Many people were inclined to cry "Thief" after Leonaweil beat Reckon in such hollow style yesterday. It is true that Leonaweil's improvement over his past lew races was something extraordinary, but the betting yesterday shows that his people thought very filter of his chances. He opened at 2 to 1, and receded to 4 to 1. Very little money was bet on him, so it is plain that no job was carried through. The colt felt good and simply ran away with the race.

Littlefield is certainly riding in hard luck. He had the mount in three odds-on favorites and all were beaten.

"Brown Dick" gave The Pepper his work for the Reanzation Stakes on Saturday. The colt covered a mile and a half in 2.37%, fin-isbing easy and strong.

Watterson performed very poorly yester-day. He pulled up bleeding from the nose. This is an old complaint of Watterson's.

Taral seems to get more out of Airshaft than any other lockey. On the backstretch yesterday Airshaft looked as though he would not be within fifty yards of the winner, but Taral kept at him and at the finish he was catching Requerort and Livonia so fast that in another hundred yards he would have won.

There were many growls at Covington's riding of John Cavanagh in the stretch yesterday. The fact was that the horse kept bearing in on the rail, and the Major was forced to take the wrap in order to keep him off. Aicaide was in front and on the rail, so that Covington was forced to win on the outside, it possible.

Lucky Tem Ragan played Count and Ai-alde yesterday, winning upward of \$14,000.

The death of Mr. F. Drancy, President of he Washington Jockey Club, was announced esterday.
